Dear CEF Members:

Thank you so much for joining us this morning at the reception to welcome the 115th Congress and launch our new "5¢ Makes Sense" campaign to increase the federal investment in education to 5% of the federal budget – 5 cents of every dollar. It was great to see so many CEF members there and to hear from Senator Murphy.

Please do check out our new website and help spread our campaign on Twitter and Instagram – CEF is @edfunding. We are going to use #5cents4edfunding and #edfunding. We already have close to 7000 Twitter followers and hope you will all follow CEF on Instagram, making both platforms a way to reach many people nationally. Our plan is to use Instagram to display the varied undertakings of our members, so let us know when you have an activity coming up that we could feature.

We have a lot to accomplish this year, but we are on our way!!

My best,

Sheryl
