COMMITTEE FOR
EDUCATION FUNDING

Gala 2022
Reception and Awards Banquet

CEF's education gala is DC's premier education event. It is the one night when the education community – advocates, policy-makers, and administrators – comes together in support of education funding to honor those who have demonstrated their strong commitment to increasing the federal investment in education for the success of our nation's students.

CEF is the nation's oldest and largest education coalition, a non-partisan, non-profit group of more than 100 organizations that represent early childhood education, elementary and secondary education, higher education, and adult and career education including students, teachers and faculty, parents, administrators, counselors and other school employees, librarians, and school board members.
